In re Application of	: DECISION ON REQUEST
Rudolf Schneider et al	: UNDER 37 CFR 1.97
Serial No: 10/743,356	: FOR CONSIDERATION
Filed: December 22, 2003	: OF INFORMATION
For: ELECTROMAGNETICALLY ACTUATED DUAL	: DISCLOSURE STATEMENT
CLUTCH-BRAKE COMBINATION	:

Applicant's information disclosure statement of September 26, 2005 was filed after the issue fee was paid. Information disclosure statements filed after payment of the issue fee will not be considered, but will be placed in the file. However, the application may be withdrawn from issue in order to file a request for continued examination (RCE) under 37 CFR 1.114 upon the grant of a petition under 37 CFR 1.313(c)(2), or a continuing application under 37 CFR 1.53(b) (or a continued prosecution application (CPA) under 37 CFR 1.53(d) if the CPA is for a design patent and the prior application of the CPA is a design application) upon the grant of a petition filed under the provisions of 37 CFR 1.313(c)(3). Alternatively, the other provisions of 37 CFR 1.313 may apply, e.g., a petition to withdraw the application from issue under the provisions of 37 CFR 1.313(c)(1) may be filed together with an unequivocal statement by the applicant that one or more claims are unpatentable over the information contained in the statement. The information disclosure statement would then be considered upon withdrawal of the application from issue under 37 CFR 1.313(c)(1).
